Notice of Proposed Action

Web Posting Date: 080311

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for renewal of a State Water Pollution Control Discharge Permit, #NEV80003, from the following applicant:

**City of Henderson
P.O. Box 95050
Henderson, NV 89015-5050**

The Permittee, The City of Henderson (COH), owns and operates the Kurt R. Segler Water Reclamation Facility (KRSWRF) at 450 E. Galleria Drive, and the Southwest WRF (SWRF) at 2610 St. Rose Parkway, both located in Henderson, Clark County, Nevada. The facilities have a total system capacity of 40 million gallons per day. The treated water is discharged to groundwater either on site, for landscape irrigation, or to the Bird Viewing Preserve ponds, or to one of three intermediate water distribution system pump stations for distribution to the City of Henderson area golf courses for irrigation. The wastewater is treated to Category B reclaimed water specifications.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) and implementing regulations, the Administrator proposes to renew a groundwater discharge permit, subject to certain discharge limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control should submit their comments or request, in writing, or by email, or by Fax, within thirty (30) days of the date of newspaper publication, by **5:00 P.M. on September 6, 2011**, either in person or by mail to:

**Nevada Division of Environmental Protection
Bureau of Water Pollution Control
901 S. Stewart St., Ste. 4001
Carson City, NV 89701**

All requests for hearings must indicate the interest of the person filing the request and the reason(s) why a hearing is warranted. All comments or objections received within the thirty (30) day comment period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. The public notice of such hearings will be issued not less than thirty days prior to the public hearing date.

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within thirty days will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied, or copies may be obtained by writing to the above address or by calling Jeryl Gardner of the Bureau of Water Pollution Control at (775) 687-9423, or at jgardner@ndep.nv.gov, or FAX (775) 687-4684.
